

Dear Youth Ministry Families,

Each year, we have one, annual fundraiser to benefit our entire Youth Ministry program. Catch the Spirit Family Fun Event combines a run/walk, food, beverages, entertainment, inflatables, a raffle and more to create an incredible family event. This year's Catch the Spirit will be held on Friday, June 11th, 2010 from 5:30 to 11:00pm.

The race has attracted thousands of participants in past years and is open to families and individuals of all ages. We give awards ranging from 3rd grade and under to 70 years old and up. Additionally, we have post run activities such as a dunk tank, bounce house, and kids games, as well as music, food, raffles, and so much more.

As you know, many volunteers are needed to help coordinate all the activities. Listed below are categories in which we are in need of help. Some positions require as little as an hour while others require a bit more. We need help from parents and teens alike.

Please e-mail Barb Cardenas, Event Chair, at maviva@att.net with your category choice and she will pass your name on to the appropriate sub-chairman. Thank you for supporting Youth Ministry at your parish.
